

Bowser's Home

I adopted Jack (now known as Bowser) from Cat Tails 7 months ago, and he's been doing great! Bowser is such an interesting character, both in looks and personality! He sleeps by my shoulders at night and wakes me up every morning purring loudly and demanding snuggles! He gets along great with my roommate's chihuahua - they're the best of friends. Thank you so much for letting me adopt Bowser - most adoption agencies said I was too young to adopt (I was 19 at the time). He is such a joy and I can't imagine my life without him.
