

Duke's Home

*Hello everyone...here are just a few pictures of Fuzzmuzz who is now named Duke in his new home. Duke was adopted on 10/4/08 and is such a bundle of joy. He is settling in to his new home quite well. He is such a fun loving, sweet little kitten who loves playing with his new big brother Charlie. They are such a pair! I am so thankful that Duke is a part of our home, he is such a joy and a blessing. Charlie lost his best friend a little while back and now with Duke in our home I have never seen him so happy! He was the missing piece we all needed. Thank you Cat Tails for all you do! You really give these animals all the proper care and love they need until you place them in these wonderful homes. Thank you and God bless!
